Dear Branch County Fair Friends,

This is an exciting time for the Branch County Fair. After many years of planning and saving, the fair has decided to construct grandstand seating. We have purchased a used structure, which is in very good condition along with some new material, to be erected in two phases. The first phase will replace the two west set of bleachers and the ground bleachers. The new structure will seat approximately 1900 people. This construction is being planned to start directly after the completion of this year's fair. This phase is estimated to cost around \$400,000. With our savings and a generous donation we have enough to pay for half of the construction. We plan on securing a loan to pay for the completion of this phase. Phase two, which will be constructed at a later date, will replace the east bleachers and seat approximately 1000 patrons. The estimated cost of this section will cost around \$200,000.

We are looking to you and the community for support to help pay for this endeavor with your generous donations. With a minimum of a \$100 donation your name can be engraved on a 4" x 8" paver to be used in a brick walkway. See below for other donation levels and paver sizes.

Thank you for your consideration in helping the fair to build a more comfortable seating area and looking to the future for further growth of our grandstand shows and community events. With your help we can reach our goal in completing this huge undertaking.

\$1 - \$99	Certificate	
\$100 - \$499	4" x 8" paver: Bronze Level	★
\$500 - \$999	4" x 8" paver: Silver Level	★★
\$1000 - \$4999	4" x 8" paver: Gold Level	★★★
\$5000 - \$9999	8" x 8" paver: Platinum Level	★
\$10,000 - \$49,999	8" x 8" paver: Titanium Level	★★
\$50,000 - \$99,999	8" x 8" paver: Granite Level	★★★
\$100,000 +	Naming Rights
